Directions to Psychological Services Center (PSC) from Parking Garages

**From the 12th Avenue Parking Garage**

1. This parking garage has two stairwells: North and South. Signs label each set of stairs as either the North or South Stairwell. Use the North Stairwell, which is closer to the Horseshoe and the Neil Avenue Garage. The stairwell is in the northeast corner of the building (see photo to the right).

2. Take the stairs to the bottom and exit through the door on your left. Turn right and you will see the view in the photo (right). The back of the Neil Avenue Garage is in front of you on the left. Follow the roads and sidewalks to the right of the Neil Avenue Garage, keeping the Neil Avenue Garage on your left (follow the yellow arrows pictured). Stay on the sidewalk beside the garage until you reach the stop sign at the roundabout. Then continue on following the directions from the Neil Avenue Garage directions below, but begin with step 2 of those directions.

**From Neil Avenue Parking Garage**

1. Follow the stairwell in the northeast corner of the building (where the garage entrance is located) to the street level and exit the garage to the roundabout.

2. The PSC is in the Psychology Building, the silver and white building diagonally across the roundabout (see photo on right). The entrance to the building faces Cunz Hall, the beige concrete and glass building directly in front of you. The entrance to the Psychology Building is indicated by the yellow box on the photo.

3. Once you have entered the building, continue down the hallway to the reception desk. The elevator is to the RIGHT of the reception desk. Take the elevator to the 1st Floor.

4. Turn RIGHT upon exiting the elevator. The Psychological Services Center (Room 105) is through the double doors directly ahead (see photo on right). If there is a receptionist present, please check in with him or her. Otherwise, you may have a seat in the waiting area outside the clinic’s doors or at one of the chairs by the receptionist’s desk just inside the clinic. The person with whom you have an appointment will come out and greet you.
